

Publication in SCI/Scopus Indexed Journals

1. Jagrati Singh, Anil Kumar Singh, "Faster Topic Detection in a set of Tweets using Node Significance based Label Propagation Community Detection Algorithm", Annals of Mathematics and Artificial Intelligence (SCIE Indexed), vol. 89, issue. 3, pages 371-407, Springer, 2020.
2. Jagrati Singh, Anil Kumar Singh, "Event detection from Twitter streaming data using edge significance based Louvain community detection algorithm", Recent Advances in Computer Science and Communications (Scopus Indexed), vol. 13, pages 1-18, Bentham Science, 2021.
3. Jagrati Singh, Anil Kumar Singh, "SemRank: Semantic similarity based tweets ranking approach", International Journal of Cognitive Informatics and Natural Intelligence (Scopus Indexed), vol. 15, pages 74-96, IGI Global, 2021.
4. Jagrati Singh, Anil Kumar Singh, "Twitter Emergency Response System during Flood-related Disaster", International Journal of Emergency Management (Scopus Indexed), vol. 17, Inderscience, 2022.
5. Jagrati Singh, Anil Kumar Singh, "State-of-Art approaches for Event Detection over Twitter Stream: a survey", International Journal of Business Intelligence and Data Mining (Scopus Indexed), vol 18, 2022.

Publication in Conference Proceedings

1. Jagrati Singh, Ishneet Kaur, Anil Kumar Singh, "Event detection from Twitter data", 4th International Conference on Information Systems and Computer Networks (ISCON) (Scopus Indexed), GLA Mathura, pages 1-6 , IEEE, 2019.
2. Jagrati Singh, Anmol Darak, Sanket Sagar Das, Kalpesh Kapoor, "Algorithm for GMP1R with Single Hole", IEEE Proceedings of SCES-2014, MNNIT Allahabad, May 28- 30, 2014.
3. Jagrati Singh, Anil Kumar Singh, "Twitter based Flood Rescue System", 8th International Conference on Advanced Computing and Communication Systems (ICACCS) , Sri Eshwar College of Engineering, Coimbatore, Tamilnadu, India, March 25-26, 2022.
